

Washington, DC (April 7, 2011) – Rep. Gus Bilirakis (FL-09) today voted for H.R. 1363, which will fund the Department of Defense through the end of the fiscal year.

"It is our duty to ensure that our troops and their families receive a paycheck on time and have the resources they need," Bilirakis said. "These brave men and women should be our top priority, as they have made protecting our country their top priority."
